

i- CALL FOR TENDERS

Call for Tenders No. : ECTL_SRC_240034

Title: Simulation Platform Studies Support

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Technical subject matter: The scope of this Call for Tenders is the technical management of the simulation platforms. One of the major simulators is the ESCAPE real time En-route and TMA simulator, which requires software/hardware support and maintenance. The proposed contract aims to complement the existing tools and processes in order to make this maintenance service more efficient.

Main selection, assessment and award criteria:

TECHNICAL CAPACITY CRITERIA
The Tenderer shall propose a person (Candidate) which must have successfully dealt with previous projects that includes support to client team with technical experts providing training, user guidances and software development on system administration tools.
The Tenderer shall propose a person (Candidate) which shall be available to start working on the Tasks on 15/04/2024.

TECHNICAL ASSESSMENT CRITERIA
Minimum 5 years of software development experience using Python
Minimum 5 years of software development experience using Django framework
Minimum 5 years of software development experience using LAMP stack
Minimum 5 years of high level in script writing in constrained languages (Linux/shell/bash/Python), and application of writing rules enabling the tools to be reused by internal teams.
Minimum 5 years of database administration experience using Oracle, Oracle XE, 18c, 19c
Minimum 2 years of container (docker)
Ability to write professional documents in English
Ability to interact in French

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the “*View Active Negotiations*” section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: <https://www.eurocontrol.int/portal/new-supplier-portal>.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
