

Economic analysis: some considerations

Generate value

- ✓ Fit-for-purpose services
- ✓ Reduced time to ops
- ✓ Partnering
- ✓ Open source model
- ✓ Digital platforms
- ✓ Fees, subscription,...

Reduce costs

- ✓ Public funding
- ✓ Streamline processes
- ✓ Leverage standards
- ✓ Share infrastructure
- ✓ Share development effort - apps, services,...
- ✓ Ease data collection
- ✓ Reduce transition, over-engineering

Happy to discuss Open Source option with future partners!
