Call for Tenders No.: 19-220825-A

Subject: Development and Maintenance of INNOVE V2 Gaming Platform for Network Concepts developed under SESAR 2020 Wave 2 Projects PJ07-PJ09

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Specific context: The purpose of the Contract covers the following aspects:
- Delivery of a baseline INNOVE Platform.
- New development and platform enhancement including documentation.
- Corrective and perfective maintenance of INNOVE including documentation.
- SESAR 2020 WAVE 2 P07, P09 Projects / Explorative Research support service.

Who should tender: The Contractor Personnel shall demonstrate technical and operational expertise in Network Management and their ability to transfer INNOVE platform-related operational & technical knowledge to EUROCONTROL staff.

The Contractor Personnel shall demonstrate technical and operational experience in designing/developing tools to support CDM processes involving various actors (Regional NM, sub-regional or local FMs, Airports, Airspace Users…) in Network Operations.

The Contractor Personnel shall demonstrate experience in organising the capture, understanding, integrating and consolidating Network operational requirements and the ability to transform them into technical requirements related to the INNOVE platform.

The Contractor Personnel shall demonstrate ability to connect models/tools/systems to the INNOVE platform. Knowledge in Airport models (e.g. CAST) and/or operational systems such as LARA, TLPD, etc. will be considered as a plus.
If this Call for Tenders should interest you, please read the important information below:

**Tender closing date:** 20/01/2020

**Point of Contact:** If you wish to receive the Call for Tenders please see the “Important Notice” below and if you have any other related questions, please contact:

Mr. Emanuele GIAMPIETRI  
CF/AFS/PAR/Procurement  
E-mail: emanuele.giampietri@eurocontrol.int  
Tel.: +33 (0)1 6988 7200
IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.

2. If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link: https://www.eurocontrol.int/portal/supplier-portal

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).

4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.

5. You may:
   a) print out the documents;
   b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
   c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: i-TSF-E).

6. You may not:
   a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
   b) transmit such documents to any third person who has no need to know them;
   c) post such documents on any private or public website;
   d) alter the originating source (EUROCONTROL) and/or copyright signs etc., and
   e) transmit the documents without indication of the source.

7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-Call for Tenders (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
