

Novel coronavirus (2019-nCoV) declaration

In order to ensure the health and safety of the staff of EUROCONTROL and visitors to its premises, specific access rules have been established. You may not enter the EUROCONTROL premises:

- if you or a close family member has been in contact with someone infected with 2019-nCoV over the last 14 days;
- if you have any symptoms of illness;
- if you come from a red zone declared by the host country.

During your presence on site, you:

- may enter only rooms to which you have been authorised access;
- must take into account the hygiene measures defined during the coronavirus crisis, namely regularly washing your hands with soap and water, and maintaining a social distance of 1.5 m from all other persons or wearing a mask if that is not possible;
- must immediately inform your host and the EUROCONTROL Medical Service if you do not feel well.

I declare that I have taken note of EUROCONTROL's latest instructions concerning access to its premises in the context of the coronavirus pandemic and I undertake to keep myself informed of any changes.
