

INFORMATION CIRCULAR

VALUE ADDED TAX (VAT) ON ROUTE CHARGES (No. 2020/08)

**Effective from 1 SEPTEMBER 2020
(date of service provision = date of flight)
showing new VAT rate of 21% for Ireland**

En route services made available in the charging zones of the EUROCONTROL Route Charges System by taxable air navigation service providers may be subject to Value Added Tax (VAT). This VAT is invoiced and recovered by EUROCONTROL on behalf of the taxable air navigation service providers under the conditions and in accordance with the procedures agreed with the State(s) concerned.

Below are the charging zones serviced by taxable air navigation service providers on whose behalf EUROCONTROL invoices VAT, as well as the conditions under which the services are exempted from VAT.

IMPORTANT REMARKS

If you are a taxable person (business/airline) please provide the documentary evidence mentioned below, if you have not done so already, to benefit from such a status. Otherwise we are compelled to invoice VAT at the full rate on behalf of the concerned taxable air navigation service providers, where appropriate.

1. If you are a **business (VAT taxable person)**, established in the European Union, then you should inform this office of your EU VAT Identification Number.
2. If you are a **business (VAT taxable person)** established outside the European Union, then you should provide this office with an original, duly certified and stamped document from your National Tax Authority confirming your VAT registration number, or your equivalent fiscal registration number or your tax payer number.
