

i- CALL FOR TENDERS

Call for Tenders No.: 20-220456-A

Title: ESCAPE AIR MAINTENANCE

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Technical subject matter:

The purpose of the contract to be let with the successful Tenderer is the “Third Party Maintenance” of the ESCAPE AIR products. It covers the following aspects:

- The corrective maintenance and support of the ESCAPE AIR sub-system including its documentation on validated releases.
- The adaptive and perfective maintenance of the ESCAPE AIR sub-system due to the evolutions of the ESCAPE real-time simulator.

Main selection, assessment and award criteria:

TECHNICAL CAPACITY CRITERIA
The Tenderers shall demonstrate relevant experience in the field of Software maintenance. The CV and individual experience of the members of the team will be evaluated. The roles shall be described in the Tender application. The individual members of the team shall demonstrate at least 4 years of experience in project management and 8 years of experience in Java and/or ADA. The team shall be composed from at least 2 members.
The Tenderers shall demonstrate the capacity to carry out the project. The company portfolio with similar projects will be evaluated. Please provide relevant KPI and summary reports of performed tasks

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the 3-step process described on the following link: <https://www.eurocontrol.int/portal/supplier-portal>
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
