

i- CALL FOR TENDERS

Call for Tenders No.: 20-220551-A

Subject: SESAR 2020 PJ02 Wave 2 – Wake Impact Severity Assessment (WISA)
Flight Simulation for Departures

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Specific context: The objective of this contract is to support the project team working on SESAR 2020 Wave 2 PJ02 by conducting a flight simulation activity to characterise the severity of wake turbulence encounters on departures as perceived by pilots.

Who should tender: The Tenderer **shall** meet the following mandatory conditions relating to the capacity to deliver:

The Tenderer **shall** have access to a full motion-based flight simulator, validated for the two proposed aircraft models, with the possibility to simulate realistic wake turbulence encounter upsets

The Tenderer **shall** have at least 2 years previous relevant experience conducting similar simulation activities proven by means of flight simulation reports or research papers

The Tenderer **shall** have access to a pool of commercial and test pilots with at least 10 years commercial flight experience that can participate in the preparation and execution of the flight simulation. Required experience to be demonstrated by their employment record / CV.
