

i- CALL FOR TENDERS

Call for Tenders No.: 20-220344-A

Title: Support to GNSS - SBAS procedures simulation activities and operational demonstrations

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Technical subject matter: The objective is to provide specialist stakeholders expertise and experience validation of technical developments and procedures while at the same time gathering lessons learned from operational users feedback through the provision of real operational evidence in support of GNSS navigation and operational safety related activities.

Main selection, assessment and award criteria:

TECHNICAL CAPACITY CRITERIA
Competence in the field of Flight Operations, PBN, Procedures Validation
Competence in the field of GNSS and SBAS navigation
Competence in the field of operational regulatory environment and flight safety management
Knowledge in assessing new operational requirements and developing operational guidance

TECHNICAL ASSESSMENT CRITERIA
Understanding of the need and identification of the key aspects associated to the tasking contract
Summary of the Tender, relevance to technical specifications- requirements and task flexibility
Competence/skill proposed by the tender

* EUROCONTROL – European Organisation for the Safety of Air Navigation

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the 3-step process described on the following link: <https://www.eurocontrol.int/portal/supplier-portal>
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
