

i- CALL FOR TENDERS

Call for Tenders No.: 21-430270-A

Title: Virtual course and webinar support agent

General: EUROCONTROL* is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond.

Technical subject matter: EUROCONTROL's Institute of Air Navigation Services (IANS), based in Luxembourg, is primarily concerned with providing operational, technical and managerial training to Air Traffic Management (ATM) staff in the EUROCONTROL Member States. These activities include the development and delivery of classroom, virtual and e-learning courses as well as webinars and workshops.

To support the delivery of virtual courses and webinars, IANS is using videoconferencing and webinar applications (i.e. Zoom and Microsoft Teams).

IANS is seeking to improve the quality of its events through different means:

- Hardware equipment (e.g. via dedicated rooms or enhancements to personal use)
- Software for video streaming and camera control (e.g. OBS, Qlabs, VideoLan)
- The use of a clear visual identity (e.g. mailing, registration page, documentation download)
- Staff training (e.g. use of the software, how to interact).

* EUROCONTROL – European Organisation for the Safety of Air Navigation
