

AirNav Ireland Best Practices

LSSIP+ 2023 Kick-off Event
Cathal Mac Criostail Focal Point for Ireland

17 October 2023

LSSIP+ Best Practices

- + Involvement with the LSSIP Process since 2015
- + Evolution of the database remarkable
- + Challenges for ANSPs in the CP1 Context
- + Finance challenge in the RP periods context
- + What's best for the Network and Delivery of the ATM Masterplan
- + 2022 a milestone in the process and marks a significant further evolution

- + *We're all in this together*

LSSIP+ Best Practices

- Negatives:

- Internal challenges in publication of 2022 Report
- Numerous Reporting lines and new stakeholders

+ Positives:

- Numerous Reporting lines and new stakeholders
 - Engagement with SDM and guidance received outstanding
 - Collaboration = Best quality data = Single Source of Truth
 - Direct engagement with (our) Regulator in the CP1 context developing well
- + Honesty and Engagement core to the LSSIP+ process
