

i- CALL FOR TENDERS

Call for Tenders No.: ECTL_SRC_230144

Title: The North Sea Area Initiative Study

General: EUROCONTROL is an intergovernmental organisation with 41 Member and 2 Comprehensive Agreement States. We are committed to building, together with our partners, a Single European Sky that will deliver the air traffic management (ATM) performance required for the twenty-first century and beyond

Technical subject matter: The North Sea Area Initiative is driven by the urgent need to meet new military operational requirements based on new tactics and the advanced capabilities of next-generation aircraft in the congested European airspace. The main focus is to provide expert analysis to EUROCONTROL in the development and the implementation of North Sea Area Initiative project with the aim to facilitate the study and the impact analysis by the end of 2024.

Main selection, assessment and award criteria:

TECHNICAL ASSESSMENT CRITERIA
Clear understanding of military network centric architecture and of ATM processes in the context of civil-military ATM coordination and cross-border operations
Understanding of national Airspace organisation and design principles facilitating military flight operations. Experience in reading and understanding of Aeronautical publication information civil and military
Expertise of main aspects of AFUA concept and new airspace design principles
Expertise of regulatory framework of the European ATM and ICAO SARPS in the context of civil-military ATM coordination
Expertise in project management

The economically most advantageous offer will be established in accordance with the following:

For the Technical tender, a weighting of 60% is applied, for the Financial tender, a weighting of 40%.

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the “*View Active Negotiations*” section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: <https://www.eurocontrol.int/portal/new-supplier-portal>.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
