

i- CALL FOR TENDERS

Call for Tenders No.: ECTL_SRC_230151

Title: DMZ Renewal and OSCP extension (acquisition and delivery of Nutanix equipment and installation services)

General: EUROCONTROL has 41 Member States and is a civil-military intergovernmental organisation committed to building, together with its partners, a Single European Sky, i.e. arrangements allowing the air navigation management system in Europe to achieve the level of performance required for the coming decades.

Technical subject matter: This call for tenders is seeking companies that can provide an offer for the renewal of the DMZ renewal and OSCP extension via acquisition of Nutanix equipment and installation services for MUAC. The tenderer shall be an authorised Nutanix business partner.

Main selection, assessment and award criteria:

TECHNICAL CAPACITY CRITERIA

M01: Authorised Status:

The Tenderer **shall** be a recognised partner of Nutanix and provide evidence of his partner status. *(Ref M01 in section 3.2.1 in the Technical specifications)*

M02: Reference Cases:

The Tenderer **shall** provide at least **two** reference cases of successful installations of similar size and characteristics, being Nutanix equipment, completed within the last 18 months. Time and size of the completed installations **shall** be clearly indicated. *(Ref M02 in section 3.2.1 in the Technical specifications)*

TECHNICAL ASSESSMENT CRITERIA

M03: Key Staff:

The Tenderer **shall** provide evidence to employ at least two staff members capable and experienced to perform the required installation and configuration activities. Evidence can be provided by providing CVs with reference to similar projects, certifications or similar. *(Ref M03 in section 3.2.1 in the Technical specifications)*

M04:
The Contractor shall supply all of the Nutanix equipment as listed in the configuration under Section 3.2.2.1 A\ and B\ in the Technical Specifications document.
M05: Installation services
Tenderer shall deliver 10 installation/configuration days to rack/stack and deliver the necessary documentation. These days shall be delivered between 1/05/2024 and 30/09/24. (as stated in Section 3.2.2.1 in the Technical Specifications document)
M06: Delivery
All Nutanix equipment shall be directly delivered to the EUROCONTROL Maastricht UAC - Horsterweg, 11 6199 AC Maastricht-Airport - The Netherlands, referred to as The Customer throughout this document. (as stated in Section 3.2.3 in the Technical Specifications document)
M07: Equipment Specifics
Tenderer shall declare that all Nutanix equipment shall be new, originally manufactured and certified equipment, and delivered with minimum the standard European warranty or the warranty provided by the Manufacturer, starting at the Provisional Acceptance of said equipment. The equipment shall be registered under the name EUROCONTROL. (as stated in Section 3.2.3 in the Technical Specifications document)
M06: Dimensioning and Capacities
All the dimensions and capacities of all the Nutanix equipment to be supplied shall exactly match those required in these specifications. (as stated in Section 3.2.3 in the Technical Specifications document)
M07: Delivery criteria
All Nutanix equipment shall be delivered before the 1/05/2024 at MUAC premises. No equipment shall be ordered on the account of EUROCONTROL before the contract has been signed by both EUROCONTROL and the Contractor. (as stated in Section 3.2.3 in the Technical Specifications document)

The economically most advantageous offer will be established in accordance with the following:

The lowest contract price offered

Tender closing date: 21 February 2024 at 15:00 CET

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the “*View Active Negotiations*” section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: <https://www.eurocontrol.int/portal/new-supplier-portal>.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
