

## i- CALL FOR TENDERS

**Call for Tenders No.:** ECTL\_SRC\_240041

**Title:** Support for Datacentre Extension at the Maastricht Upper Area Control Centre

**General:** EUROCONTROL has 41 Member States and is a civil-military intergovernmental organisation committed to building, together with its partners, a Single European Sky, i.e. arrangements allowing the air navigation management system in Europe to achieve the level of performance required for the coming decades.

**Technical subject matter:** This call for tenders concerns the Support for Datacentre Extension (extension of the existing (M0.18) data centre and the completion of the design for a new data centre in another building (N0.27) at the Maastricht UAC.

**Main selection, assessment and award criteria:**

<b>TECHNICAL CAPACITY CRITERIA</b>
Site visit attended
Certificate attesting to the fact that Tenderer complies with international quality standard ISO 9001 or VCU and SNA

<b>TECHNICAL ASSESSMENT CRITERIA</b>
The Tenderer shall demonstrate its experience with at least 1 similar successful DCMO project in the past five years (Five years' experience in the design of Data Centre Extension)
The proposed expert(s) shall hold a valid and active VCA-VOL certificate
The proposed expert shall be qualified as experienced Data Centre expert and shall have at least five years' experience as data centre expert. Additional years of experience as data centre expert is considered as highly beneficial
The proposed expert(s) shall have extensive knowledge of the materials where the design will be based on, including the regulations for the usage of specific kinds of cabling and other material which is needed in a data centre infrastructure.
The proposed expert(s) shall have extensive knowledge how to design a data centre based on sustainable environmental criteria and cost effectiveness.

The proposed expert(s) shall have extensive knowledge how to design a data centre based on ergonomics and personal safety for the staff which will be responsible for installation of the equipment after implementation of the design.
---

The proposed expert(s) shall have extensive experience in supervision of contractors performing the implementation.
---

The proposed expert(s) shall have experience on communication on different levels in an organisation, varying from project board to the actual workers performing the implementation.
---

The proposed expert(s) shall be able to communicate, verbal and written, in English on C1 level.
--

The proposed expert(s) shall be able to communicate, verbal and written, in Dutch on B1 level.
--

The proposed expert(s) shall have experience on the usage of workpermits, analysis of VGA plans, LMRA and other safety measurements.
--

The economically most advantageous offer will be established in accordance with the following:

For the Technical tender, a weighting of 70% is applied, for the Financial tender, a weighting of 30%.

**Tender closing date:** 22 July 2024 at 15:00 CEST

### **IMPORTANT NOTICE**

The full i-Call for Tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-Call for Tenders documentation please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the “*View Active Negotiations*” section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: <https://www.eurocontrol.int/portal/new-supplier-portal>.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
  - a) print out the documents;
  - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
  - c) use print-outs of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
  - a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
  - b) transmit such documents to any third person who has no need to know them;
  - c) post such documents on any private or public website;
  - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
  - e) transmit the documents without indication of the source.

**An environmental notice:**

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
