i- CALL FOR TENDERS

Current opportunity

Procedure No.	ECTL_SRC_260092
Title:	Methodology, Performance, and Cost-Benefit Analysis Expert in support of the SESAR Deployment and Infrastructure Partnership

General:

EUROCONTROL is looking for a time-based Methodology, Performance, and Cost-Benefit Analysis Expert for a maximum of 160 days by the fixed term of the contract. Expected start date should be 1 October 2026; if not possible, the start date can in no way be later than 1 December 2026. The term of the contract shall be 31 December 2027.

Technical subject matter:

The main task to be performed by the selected tenderer will be the completion of approximately 80 Validation Reports related to the implementation projects monitored by SDM. The selected tenderer shall nonetheless be in a position to support and contribute to other threads of work.

Main selection and assessment criteria:

TECHNICAL CAPACITY CRITERIA
A minimum of 10 years of relevant professional work experience in the CBA domain is required.

TECHNICAL ASSESSMENT CRITERIA
Thorough knowledge of and expertise in ATM CBAs and data management, including in the definition of methodologies to support performance analyses (See section 4 of the Technical Specifications)
Thorough knowledge of and expertise knowledge in the SES framework and the SESAR project, including CP1 and SESAR Deployment Programme content (See section 4 of the Technical Specifications)

Proven work experience in a multicultural and multilingual context (See section 4 of the Technical Specifications)
Excellent knowledge of written and oral English
In-depth knowledge of flight efficiency and capacity
Experience and familiarity with Network Manager procedures and simulation tools used to validate estimations
Experience and understanding of airline procedures, particularly in the dispatch area, to cross-check results with respective airlines

The economically most advantageous offer will be established in accordance with the following Award criteria:

For the Technical tender, a weighting of 50% is applied, for the Financial tender, a weighting of 50%.

Tender closing date:

21 September 2026 at 15:00 Brussels time

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).
If you wish to obtain the i-Call for Tenders documentation, please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the "*View Active Negotiations*" section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: https://www.eurocontrol.int/portal/new-supplier-portal.

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
   a) print out the documents;
   b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
   c) use printouts of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
   a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
   b) transmit such documents to any third person who has no need to know them;
   c) post such documents on any private or public website;
   d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
   e) transmit the documents without indication of the source.

An environmental notice:
With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
