i- CALL FOR TENDERS

Current opportunity

Procedure No.	SDM_SRC_260002
Title:	New Website for SESAR Deployment Manager

General:

One of the specific communication objectives assumed by SDIP is to ensure a professional online presence with the aim to inform its stakeholders and the wide public. This includes the continuation of the SDM website.

Considering the fact that EUROCONTROL is designated as the Consortium Coordinator and thus responsible for service contracts and the fact that the current contract with the supplier is coming to an end, there is a need to set up a new service contract ensuring a seamless continuation, operation and potential upgrades and improvements of the SDM's website.

Technical subject matter:

The main scope of the contract is to provide the SDM function with a continuation of at least the same level of services and support as currently in place for managing (from a set-up, hosting, technical, maintenance and support perspective) the following website www.sesardeploymentmanager.eu.

Main selection and assessment criteria:

TECHNICAL CAPACITY CRITERIA
Organisation of the service provision to ensure the delivery of the website services as described under Section 3.2 of the Technical Specifications *[please check tendering documents for full reference]*
Compliance with service levels and key performance indicators requirements set out in Section 4 of the Technical Specifications

[please check tendering documents for full reference]

TECHNICAL ASSESSMENT CRITERIA
Experience in managing similar website services as described under Section 3.2 of the Technical Specifications. *[please check tendering documents for full reference]*

The economically most advantageous offer will be established in accordance with the following Award criteria:

For the Technical tender, a weighting of 50% is applied, for the Financial tender, a weighting of 50%.

Tender closing date:

26 October 2026 at 15:00 Brussels time

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).
If you wish to obtain the i-Call for Tenders documentation, please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the "*View Active Negotiations*" section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: https://www.eurocontrol.int/portal/new-supplier-portal.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.

5. You may:
   a) print out the documents;
   b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
   c) use printouts of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
   a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
   b) transmit such documents to any third person who has no need to know them;
   c) post such documents on any private or public website;
   d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
   e) transmit the documents without indication of the source.

An environmental notice:
With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
