EUROCONTROL

i- CALL FOR TENDERS

Current opportunity

Procedure No.	ECTL_SRC_260075
Title:	Acquisition of Allegro Packets Network Multimeters

General:

EUROCONTROL has 42 Member States and is a civil-military intergovernmental organisation committed to building, together with its partners, a Single European Sky, i.e. arrangements allowing the air navigation management system in Europe to achieve the level of performance required for the coming decades.

Technical subject matter:

The Maastricht Upper Area Control Centre (MUAC) is part of EUROCONTROL and is tasked with the provision of Air Traffic Control (ATC) services to civil air traffic in the upper airspace over Belgium, Luxembourg, the Netherlands and the north-western part of Germany; for the latter the service also contains the provisioning of Operational Air Traffic Control (OAT).

This call for tender is aiming to implement a contract relating the supply and maintenance of Allegro Packets Network Multimeters for Reference Number ECTL_SRC_260075.

Main selection and assessment criteria:

TECHNICAL CAPACITY CRITERIA
The Tenderer **shall** be a recognized partner of Allegro and provide evidence of his partner status for the contract term.
The Tenderer **shall** be an authorized Warranty provider of provided equipment provide evidence of his requirement for the contract term

TECHNICAL ASSESSMENT CRITERIA
The Tenderer **shall** supply the Allegro equipment as indicated in the Section 3.2, Table 1 and 2 of the TEPO-E Specifications.

All equipment **shall** be directly delivered to the EUROCONTROL Maastricht UAC - Horsterweg, 11 6199 AC Maastricht-Airport - The Netherlands, referred to as The Customer throughout this document.
The tenderer **shall** declare that all equipment **shall** be new, original manufactured and certified equipment, and delivered with the warranty as described in Section 3.2 Table 1 and 2. The equipment **shall** be registered under EUROCONTROL name.
All the dimensions and capacities of the equipment to be supplied **shall** exactly match those required in these specifications.
All equipment shall be ordered on the account of EUROCONTROL only after the contract has been countersigned. All Equipment required **shall** be delivered within maximum 6 (six) weeks after the Contract signature.
The Tenderer **shall** be located within a maximum travel time of two hours by road from the EUROCONTROL MUAC premises
The Tenderer **shall** provide technical documents by means of output of the Allegro Packets Network Multimeters configurations
The Tenderer **shall** include in their offer a proposal for a discounted maintenance services extension by 2 years for a total coverage of 3 years.
The Tenderer **shall** provide an offer for on call remote general technical support for all supplied Allegro Packets Network Multimeters throughout the maintenance period. Support shall be available during normal business hours (08.00 to 16.00)- 8x5NBD (Monday to Friday, excluding public holidays) and shall include remote troubleshooting, configuration assistance, firmware update guidance, and hardware fault diagnosis.

The economically most advantageous offer will be established in accordance with the following Award criteria:

The technically compliant tender with the lowest contract price will be considered as the best choice for contract award and is therefore the economically most advantageous tender, provided that no factors or risks to EUROCONTROL would justify a different recommendation (for example, failure to achieve successful contract negotiation).

Tender closing date:

20 November 2026 at 15:00 Brussels time

If this Call for Tenders should interest you, please read the important information below:

IMPORTANT NOTICE

The full i-Call for Tenders documentation is in electronic format (.pdf).
If you wish to obtain the i-Call for Tenders documentation, please read and follow carefully the instructions below:

1. If you are already registered in the EUROCONTROL Supplier Portal, you can search for this Call for Tenders, and its relevant documentation, in the "*View Active Negotiations*" section of the Supplier Portal.
2. If you are not yet registered as a EUROCONTROL supplier, please follow the process described on the following link: https://www.eurocontrol.int/portal/new-supplier-portal.
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall be made electronically and shall be exclusively made in strict accordance with the instructions given in the tendering documentation.
5. You may:
   a) print out the documents;
   b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
   c) use printouts of the electronic i-Call for Tenders documents for the submission of tenders (especially the Price Offer Form ref: I-TSF-E).
6. You may not:
   a) modify, edit and/or change the electronic documents other than to submit the required info and to sign/stamp where required;
   b) transmit such documents to any third person who has no need to know them;
   c) post such documents on any private or public website;
   d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
   e) transmit the documents without indication of the source.

An environmental notice:
With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
