"EUROCONTROL"

- Decisions of the Permanent Commission -

DECISION No. 56

relating to the extension of the Central Air Traffic Flow Management Unit Implementation Plan to include the airspace of the States which have recently or are likely to become members of ECAC.

THE PERMANENT COMMISSION FOR THE SAFETY OF AIR NAVIGATION,

Having regard to the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation, amended at Brussels in 1981, and in particular to the provisions of Articles 2.1 (k), 6.1 (a) and 7.1 thereof;

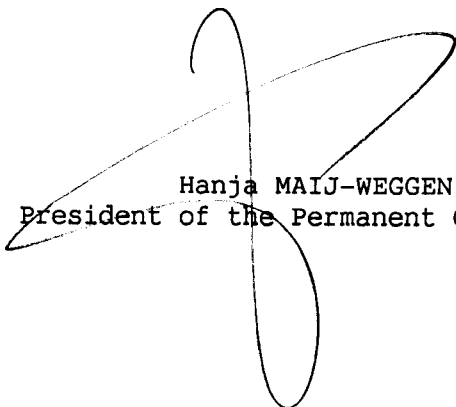

Having regard to the decision taken by the Permanent Commission at its 75th Session on 4 July 1989 to approve the CFMU Implementation Plan (Document 892005) in respect of the entire airspace of the then Member States of ECAC;

Having regard to the recommendation made by the Committee of Management under Agenda Item A.3 of its 168th Session inviting the Permanent Commission to authorise the new ECAC Member States which so request to participate in the CFMU Project;

TAKES THE FOLLOWING DECISION:

1. The CFMU Implementation Plan (Document 892005) shall apply to the airspace of any State which has become a member of ECAC since 4 July 1989 and which so requests.
2. The appropriate operational, financial, administrative and institutional draft amendments to the CFMU Implementation Plan shall be framed by the Agency.
3. The arrangements for implementation of the flow management measures taken by the CFMU in respect of these new ECAC Member States shall be laid down in Agreements to be concluded between the Organisation and each of the States in question.
4. This Decision shall enter into force upon agreement by ICAO that the States concerned should be attached to the CEU-West.

Done at Brussels on 3 December 1991.
