

EUROPEAN ORGANISATION FOR THE SAFETY OF AIR NAVIGATION

EUROCONTROL

- Directives of the Permanent Commission -

DIRECTIVE No. 00/57

relating to the rapid implementation of the Enhanced Tactical Flow Management System (ETFMS)

The PERMANENT COMMISSION FOR THE SAFETY OF AIR NAVIGATION:

Having regard to the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation, as amended by the Protocol signed at Brussels on 12 February 1981, and in particular Articles 2.1.e) and k), 6.1.b), 7.3 and 13 thereof;

Considering the need to improve the ATFM service through the rapid implementation of ETFMS, which requires the exchange of surveillance and flight update / coordination data between EUROCONTROL's CFMU and the ANS Providers of the Member States participating in ETFMS;

On the proposal of the Agency;

GIVES THE FOLLOWING DIRECTIVE TO THE AGENCY:

Article 1

The Director General shall conclude, on behalf of the Organisation, bilateral agreements defining general conditions for the reciprocal provision of data required for the ETFMS with the ANS Providers of the Member States participating in the said ETFMS.

Article 2

The financial arrangements applicable to the provision of data shall be identical to those used within the framework of the current ATFM service.
