EUROCONTROL

- Directives of the Permanent Commission. -

DIRECTIVE N° 20

relating to the determination of the recovery rate to be applied during the second period of operation of the route charges system

THE PERMANENT COMMISSION FOR THE SAFETY OF AIR NAVIGATION

Having regard to the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation and in particular Articles 6.2 e), 7. c) and 20 thereof;

Having regard to the seventh report of the Consultative Group on Route Charges;

HEREBY ISSUES THE FOLLOWING DIRECTIVE TO THE AGENCY :

Sole Article

The Agency shall, within the limits of its competence, establish in accordance with the provisions of Article 20 of the Convention, the tariffs and conditions of application of the charges which the Organisation is entitled to collect from users in respect of the second period of operation of the charges system.

In establishing the tariffs and conditions of application of charges referred to in the previous paragraph, the Agency shall take account of the following principles :

- the recovery rate to be applied during the second period of operation of the system shall be 30 % of the expenditure on route facilities and services, on the basis of 1971 expenditure and traffic data plus collection costs, and
- the second period of operation shall cover two years and shall run from 1 November 1973 to 31 October 1975.

Done at Paris this twenty-third day of January 1973.

The President of the
Permanent Commission,

R. GALLEY
