EUROCONTROL

- Directives of the Permanent Commission -

DIRECTIVE N° 34

relating to the determination of the recovery rate to be applied during the eighth period of operation of the route charges system

THE PERMANENT COMMISSION FOR THE SAFETY OF AIR NAVIGATION

Having regard to the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation and in particular Articles 6.2.e), 7.c) and 20 thereof ;

Having regard to the twentieth report of the Consultative Group on Route Charges ;

HEREBY ISSUES THE FOLLOWING DIRECTIVE TO THE AGENCY :

Sole Article

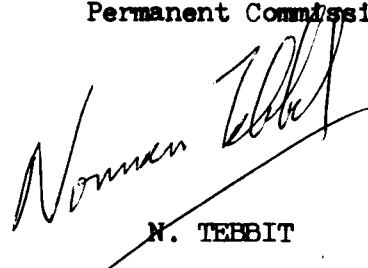

The Agency shall, within the limits of its competence, establish in accordance with the provisions of Article 20 of the Convention, the tariffs and conditions of application of the charges which the Organisation is entitled to collect from users in respect of the eighth period of operation of the charges system.

In establishing the tariffs and conditions of application of charges referred to in the previous paragraph, the Agency shall take account of the following principles :

- the recovery rate to be applied during the eighth period of operation of the system shall be 90 % of the expenditure on en route facilities and services for the period 1st April to 30th September 1981 and 100 % of the expenditure on en route facilities and services for the period 1st October 1981 to 31st March 1982, on the basis of 1979 expenditure and traffic data, plus collection costs ; the eighth period of operation shall run from 1st April 1981 to 31st March 1982.

Done at Brussels this twentieth day of November 1980.

The President of the
Permanent Commission,

N. TEBBIT
