Amendments to the "Principles for establishing the cost-base for route facility charges and the calculation of the unit rates" (cf. Annex 1 to eCN/5/2 approved by the Enlarged Commission at its 5th Session held on 12.11.87)

1. Insert after the first sub-paragraph of paragraph 1.2.:

"States joining the EUROCONTROL route charges system should be aware of the principle of gradualism as contained in paragraph 29 of ICAO Document 9082/3 in establishing their cost recovery rates."

2. Add to paragraph 2.1.2.:

"When implementation of a new facility is significantly delayed a State participating in the EUROCONTROL route charges system should consider, as regards its own cost base, limiting the amount of interest costs included for the pre-operational phase."

3. Replace "US dollars" with "ECUs" in paragraphs 1.8. and 4.2. as well as in Attachment 1 to Appendix III.

4. Replace the last line of paragraph 1.8. with "European Communities; where not established by the European Communities, the exchange rate shall be calculated with reference firstly to the rate of exchange between the ECU and the US dollar, and secondly to the rate of exchange between the national currency concerned and the US dollar established by the International Monetary Fund."
