- Measures of the Permanent Commission -

### MEASURE No. 87/66

**establishing the location of the Central European Air Traffic Services (CEATS) Upper Area Control Centre and its support facilities.**

THE PERMANENT COMMISSION FOR THE SAFETY OF AIR NAVIGATION :

Having regard to the EUROCONTROL International Convention relating to Co-operation for the Safety of Air Navigation, as amended by the Protocol signed at Brussels on 12 February 1981, and in particular Articles 6.2(a) and 7.2. thereof, Article 7.2 of Annex 1 thereto (Statute of the Agency) and to Measure No. 85/45 of 6.6.97 "establishing a Central European Air Traffic Services (CEATS) Upper Area Control Centre";

On the proposal of the Provisional Council;

HEREBY TAKES THE FOLLOWING MEASURE :

1. The CEATS Upper Area Control Centre (CEATS UACC) Site and Supporting Facilities shall be established as follows:
  - 1.1. The CEATS UACC shall be located in Austria (Vienna, Donau City);
  - 1.2. A CEATS Strategic Planning and Development Unit (CSPDU) shall be located in the Czech Republic (Prague);
  - 1.3. A CEATS Research, Development and Simulation Centre of Expertise shall be located in Hungary (Budapest);
  - 1.4. A Training Supporting Unit shall be located in Italy (Forli-Rimini), supported by training facilities in Budapest for refresher training for specific sectors and particular operational refresher activities;
  - 1.5. Specific proposals from Slovak Republic, Croatia and Slovenia linked to the location of other supporting activities in these countries would be further examined if the CEATS Ministers of Transport or DGCA's decided so.
2. The facilities and services mentioned above shall be established on a date to be agreed and promulgated by the CEATS Contracting Parties.

Done at Brussels, on 10.6.99
