Global Implementation

Harmonization

- We facilitate and support harmonisation if and where required, learning from more and more airports being connected to the Network

Harmonization Progress and Achievements

- EUROCONTROL A-CDM Harmonization Task Force
 - 5 Meetings
 - 35 issues identified
 - 19 recommendations for the Manual
- ICAO A-CDM Expert Group
 - Global guidance

Harmonization – next Steps

- Continue to work with ICAO
- React to future Stakeholder issues
- Re-establishment of HTF
