

# CEFA:

## the CRCO's secured extranet for airspace users

CEFA is a **secured website** which is **free of charge** to airspace users who have signed up for it. It makes exchanging air navigation billing information between airspace users and the Central Route Charges Office much easier and quicker.

### With CEFA, you can:

- download your **billing documents**
- consult your **statements of account**
- download your **billing details** per flight
- consult and modify your **fleet data**
- ask for **changes** to be made to your billing address and/or contact details
- **submit and monitor** your claims, and have them **processed faster**.

### CEFA offers you these advantages:

- it is **free of charge**
- it gives **secure** and **confidential** online access
- it is **simple to use**
- it is **available 24/7**
- you can have **multiple CEFA accounts** for your company, with specific access roles assigned to different people.

**Contact us now to ask for your secured and confidential online access to CEFA**
